Make sure your booking isn't at our Sydney/Colo Park location, also nearby. If it is, [click here](#) to download directions to Colo Park.

### DIRECTIONS

- 1 Navigate to the corner of McFarlane St & Quarrybylong St (Cessnock).
- 2 Enter the the HPOTS Training Centre.
- 3 Follow the RallySchool signs and arrows once inside the complex.

Rally School Hunter Valley is located just a few minutes from the centre of Cessnock, in the heart of the Hunter Valley.

Surrounded by vineyards and local attractions, it's a great activity during a weekend in Newcastle or Port Stephens.

### HOW THE DAY WORKS

Each day at the Rally School kicks off with a sign-in and full safety briefing process which includes an overview of the key driving techniques you'll need to know before you hit the track!

Depending on your booked experience, you'll then be assigned your car(s) and safety gear. There is opportunity to upgrade your package on the day to include more laps, cars and or even hot laps for friends and family. You might prefer to arrange any add-ons in advance so you can plan your day better. To discuss your add-on options, give the office a call or email anytime (see contact buttons at the top of this PDF).

Make sure to wear long pants and closed in shoes and give yourself plenty of time to find the track and sign-in. We'll see you there!

Had an awesome time driving the cars especially the left hand drive as it was my first left hand drive car. Instructors are friendly and gave advice on how to improve further
