Willowbank Park
Champions Way, Willowbank

rallyschool.com.au

DIRECTIONS

- 1 Turn off Cunningham Highway onto Champions Way.
- 2 Travel exactly 1km to the gate at Willowbank Park Motor Sport Complex. The signage on the gate reads 'Willowbank Park', not Willowbank Raceway.
- 3 Once inside the gate, head towards the control tower where you can park and meet the RallySchool staff.

RallySchool Brisbane is located in the massive Willowbank Motorsport precinct.

Our Autocross track offers three different racing combinations in each direction.

The road is shared and maintained by the Ipswich West Moreton Auto Club and the surface of the dirt track is fast, smooth and ideal for rally driving!

HOW THE DAY WORKS

Each day at the Rally School kicks off with a sign-in and full safety briefing process which includes an overview of the key driving techniques you'll need to know before you hit the track!

Depending on your booked experience, you'll then be assigned your car(s) and safety gear. There is opportunity to upgrade your package on the day to include more laps, cars and or even hot laps for friends and family. You might prefer to arrange any add-ons in advance so you can plan your day better. To discuss your add-on options, give the office a call or email anytime (see contact buttons at the top of this PDF).

Make sure to wear long pants and closed in shoes and give yourself plenty of time to find the track and sign-in. We'll see you there!

Had an awesome time driving the cars especially the left hand drive as it was my first left hand drive car. Instructors are friendly and gave advice on how to improve further

SHARE THE FUN!
