|  Bakers Hill 724 Leaver Rd, Copley |  rallyschool.com.au |

DIRECTIONS

- 1 Travel towards Kalgoorlie from Perth along the Great Eastern Highway.
- 2 3.5km past the famous Bakers Hill Pie Shop turn right into DeCastilla Road. This road has two way traffic, is narrow and slippery after it changes to gravel.
- 3 Follow the main road onto Leaver Road, drive 4.5km and then turn left into the front gate of Winvale Pastoral Company. Please open the gate and close it after your car.
- 4 Follow the road in front of you parallel to the fence, then wait at our meet point sign to be collected by one of our team.

You can find Rally School Perth in the Bakers Hill region, an hour from suburban Perth.

This part of the Perth Hills has famous 'ball bearing' gravel, typical of Western Australia, and will truly test your driving skills!

HOW THE DAY WORKS

Each day at the Rally School kicks off with a sign-in and full safety briefing process which includes an overview of the key driving techniques you'll need to know before you hit the track!

Depending on your booked experience, you'll then be assigned your car(s) and safety gear. There is opportunity to upgrade your package on the day to include more laps, cars and or even hot laps for friends and family. You might prefer to arrange any add-ons in advance so you can plan your day better. To discuss your add-on options, give the office a call or email anytime (see contact buttons at the top of this PDF).

Make sure to wear long pants and closed in shoes and give yourself plenty of time to find the track and sign-in. We'll see you there!

Had an awesome time driving the cars especially the left hand drive as it was my first left hand drive car. Instructors are friendly and gave advice on how to improve further

SHARE THE FUN!
